ORANGE COUNTY RAPE CRISIS CENTER

Help, Hope & Healing

Education and Outreach

The Orange County Rape Crisis Center offers age-appropriate and culturally-competent educational programs to children, teens, and adults about the awareness and prevention of sexual violence.

“Every year the presenters and programs have been great. The children talk about the program long after and share things with me that might not otherwise have come up.”

~ School teacher

What We’re Doing

- We present our programs to nearly 10,000 children, teens, and adults in Orange County every year.
- We visit every K-5 classroom in 15 Chapel Hill-Carrboro City Schools and Orange County Schools every year.
- We present specialized programs to local middle schools about preventing sexual harassment.
- We recently expanded our program to preschool classes in the HeadStart program and self-contained Special Education classes.
- We work with school officials and the Department of Social Services to ensure that students receive services when they disclose an incident of sexual abuse during a program or exhibit behavior during a program that requires further attention.
